

FIRE SAFETY PRECAUTIONS

DEAR GUESTS,

Please follow the fire safety rules:

- **DO NOT** use electrical heaters in your rooms. For safety reasons, only guest's personal electrical appliances that-serve for personal hygiene (fan, curling tongs, shavers, etc.) and guest's personal electrical devices (computer, mobile phone re-charger; etc.) may be plugged in the hotel room, except electrical appliances that have been provided by the receptionist.
- **SWITCH OFF** all electrical appliances and lights when leaving the room (kettle, iron, TV, radio, and other devices).
- **DO NOT** cover the lamps with flammable materials.
- **DO NOT SMOKE** in the rooms.
- **USE ASHTRAYS** and do not leave lit cigarettes in rooms.
- **DO NOT KEEP** flammable materials in the room.

In case of fire in your room:

- Immediately call the fire-service by phone number **100** or **112**.
- If the fire gets out of control, remain calm, close the door without locking them, and leave the building by the exit stairs.
- Inform the receptionist about the fire and your location by calling **+370 614 21888**.
- Leave the zone of danger as fast as possible and act as ordered by the fire service representatives or hotel administrators.

In case of fire outside your room:

- Immediately call the fire-service by phone number **100** or **112**.
- Leave your room only after closing the windows and the door.
- If the corridors and staircases are filled with smoke and/or fire and you cannot leave the building, stay inside the room, close the door, sprinkle the door with water and stuff the cracks with wet material (towels, sheets, etc.), open the windows widely, shout out for help and wait for assistance.
- Try to inform the receptionist about the fire and your location by calling **+370 614 21888**.
- When the firemen arrive, call for help.
